Introductory

To the Members of the
Masonic Craft of this Jurisdiction:

We have long felt that a necessity of our organization was a good Masonic Directory, giving the names of the Officers of our Grand and Subordinate bodies, including those of the Ladies of the Order of the Eastern Star and Courts of Heroines of Jericho, with the names and post office addresses of the entire Craft.

We have with considerable labor tried to respond to this necessity, and have compiled this little directory for presentation to the members of the Craft and Adoptive rites of Masonry in this Jurisdiction.

It contains the names and addresses of the members of our Thirteen Blue Lodges, Five Royal Arch Chapters, Four Knights Templar Commanderies, A. A. S. R. Consistory, Mecca Temple, A. A. O. N. Mystic Shrine, Six Chapters of the Order of the Eastern Star, and Two Courts of the Heroines of Jericho.

We have labored hard to make this book as nearly correct as possible, and we desire each brother and sister to have a copy, with the hope that it may be the means of bringing into closer touch every branch of our beloved Order, and forming a more perfect union, so that we may all be in fact united in one sacred band or society of friends, brothers and sisters, among whom no contention shall ever arise.

I present this directory to the Craft with my compliments, and with the hope that the object desired may be attained.

Fraternally submitted:

MALVIN,
Grand Master.

OFFICIAL HISTORY OF FREE MASONRY

Among the Colored People in North America.

By W. H. GRIMSHAW, of the Library of Congress.

ILLUSTRATED.
WITH AN INTRODUCTION BY
JOSEPH TYLER BUTTS.

This is a history of Colored Freemasonry, published in one volume, now ready for distribution.

It begins with the Mother Grand Lodge, London, England, 1717, and traces the growth of Masonry (especially among Colored men) down to the present day. It gives an account of the introduction of Freemasonry into America; its origin and practice among Negroes, and indicates where Colored Masons are recognized throughout the world.

The history of Freemasonry among Colored Men in each State is briefly and officially treated, and the book will be an official reference for all time.

Many curious incidents are mentioned—such as initiation of whites into colored lodges and colored men into white lodges, also the number of Masons in the United States.

The official seal of approval is set on the book by the following communication:

OFFICE OF THE GRAND SECRETARY,
604 D Street, N. W.,
Washington, D. C., April 3, A. L. 5901, A. D. 1901.

The M. W. G. M., Robert H. Terrell, joins me in thanking you in advance.

Fraternally yours,

MORPHINE,

Opium, Whiskey and All Drug Habits

Cured Without Pain at Your Home. The Best of Sanitorium Facilities if Desired.

If you are addicted to these habits you can be cured and restored to your former health and vigor without pain or the loss of an hour from your business at a moderate cost. The medicine builds up your health, restores your nervous system to its normal condition; you feel like a different person from the beginning of the treatment, LEAVING OFF THE OPIATES AFTER THE FIRST DOSE. You will soon be convinced and fully satisfied in your own mind that you will be cured.

Mr. T. M. Brown, of DeQueen, Ark., says: "Over seven years ago I was cured of the opium habit by your medicine and have continued in the very best of health since."

Dr. W. N. Tunstall, of Lovingston, Va. says: "I am glad to say that I firmly believe that I am entirely and permanently cured of the Drink Habit, as I have never so much as wanted a drink in any form since I took your eradicator, now eighteen months ago. It was the best dollar I ever invested."

Mrs. Virginia Townsend, of Shreveport, La., writes: No more opium. I have taken no other remedy than yours and I make no mistake when I say that my health is better now than it ever was in my life, and I owe it to you and your remedy. It has been twelve years since I was cured by your treatment.

THE ART OF BEAUTIFYING,

Electrolysys.

SCIENTIFIC, FACIAL AND GENERAL MASSAGE TAUGHT.

The long-felt want of an institution for the teaching of Massage, Electricity, Medico-Gymnastic, Medical Baths, etc., after the system in the Medical Schools in Europe, has prompted me to introduce such an institution here.

The number of scientifically educated Massage Operators in this country is very limited, and the demand for such is rapidly growing.

Do you desire to learn a profitable life work?

DR. JOHN F. NUBEL,

Professor of Massage Electrolysys.

Present---Future.

"To thine own self be true." Evidence the above by purchasing a home. I will submit as large a variety from which to make a selection as any nogro can show you, and a far greater number than any Caucasian will show you. Prices, from $1,500 to $15,000, and in no instance will you pay a dollar more than the property is worth.

If provided for the present, look out for the future by taking out a life insurance policy. Modern insurance does not require that an individual should die to win. Insure while young or middle-aged, and you will be certain of a competence when you grow old. In sums of $1,000 and up, and any one of the dozen forms of policies issued by the Company—not just the highest priced, and that alone.

Favor me with a postal, and I shall be pleased to call, and you will be assured square treatment.

PROF. JOHN F. NUBEL,

Telephone 1225 Main. 1202 K St, N. W., Office.

Scientific Massage, Medico-Gymnastics, Electricity, Swedish Movements.

All Facial and Scalp Affection Treated and Cured.

Hours, 9 a. m. to 6 p m.

Special Arrangements for Home Treatment.

Having been very successful in treating the many skin and scalp affections that came under my care during my stay for the past twelve months with the John H. Woodbury Dermatological Institute of Washington, D. C., I have severed my professional connections with said Institute and established private parlors at the above address where I will continue personally and successfully treating the varied affections skin and scalp are heir to.

My scientific facial treatment supersedes anything yet introduced for increasing circulation, strengthening muscles, developing tissues, removing wrinkles, whitening, softening, healing and beautifying the complexion; protecting the skin from the ill effects and sudden changes of the weather.

The world is full of people who are afraid to examine into their condition or are simply thoughtless and do not realize the value of a good complexion. Take yourself for instance. Sit down and honestly face the facts of your real condition. Soberly and sensibly stop a moment and think. Is your complexion as good as it might be? Is your flesh firm and sound? Do you sleep well? Are your eyes bright? Does your skin bear the rosy flush of health? These are a few of the questions you should ask yourself.

I propose to aid you in securing perfect complexion and a luxuriant growth of hair. When I tell you my scientific treatment replaces a marred complexion with beauty—cures and banishes from the human system Headaches, Tri-facial Neuralgia, Nasal Catarrh, fullness and dizziness in the head, Insomnia, and make weak eyes strong; I am well aware that I am making big claims.

Measure me by my works, not by my words. I offer unprejudiced testimony not of people so obscure that their word is valueless but of men and women whose standing in the social and business world are such that they are above the breath of suspicion.

My system is as elastic as human need. I have no set rules—no ironclad methods of progress. My treatment to you will be measured and guided by your necessity. It will be as individual as though you were my only patient.

I shall be pleased to have you call and consult me any time, all consultation strictly confidential.

Yours very truly,

PROF. JOHN F. NUBEL.

P. S. My facial creams, lotions and tonics are pure and effective and on sale.
